Hengrabari, Guwahati - 36

TERMS OF REFERENCE (ToR)

Name of the Position : WASH Monitoring Specialist (support by UNICEF Assam)

Duty station : Office of the Mission Director, SBM-G, Assam

BACKGROUND:

To accelerate the efforts to achieve universal sanitation coverage and to put focus on safe sanitation, the Prime Minister of India launched the Swachh Bharat Mission (SBM), on 2nd October, 2014 with a vision to achieve open defecation free states by 2nd Oct 2019 as a befitting tribute to 150th birth anniversary of Mahatma Gandhi. Assam, is an open defecation free (ODF) State as declared on March 2019 based on the BLS 2012. ODF status/achievements are sustainable, provided that there is a post-ODF intervention with clear implementation arrangements that offer continuous engagement and intervention with ODF communities, incentive provisions and motivation through development interventions, and recognizes and appreciates the resourcefulness of people to attain and retain their ODF status. SBM G envisions on ODF Plus with focus on solid & liquid waste management (SLWM).

OBJECTIVE:

Since the objective of SBM (G) is to bring about improvement in cleanliness, hygiene and general quality of life in rural areas, ODF Plus is one of the key components of the programme. In view of the Covid 19 pandemic, focus is to be given on sensitization on Covid 19 along with WASH. The WASH Monitoring Specialist would ensure that State Annual Implementation Plan (AIP) have an Open defecation Free (ODF) Plus component detailing activities, outputs and resources needed for sustaining the SBM outcomes as well as continued investment on awareness, behaviour change, capacity building and community mobilization for collective action to maintain the ODF status. He/She must also ensure financing of ODF-S activities with focus on Covid 19, mainly through IEC and SLWM Funds and sustainability monitoring for ODF S. He/she must also enable basic monitoring/recording systems at state level for indicators identified through SBM (G). He / She should be able to conduct convergence programmes with other departments to encourage cross-learning and inculcate best practices which can be taken up by districts for ODF Plus. He/She should play a critical role in convergence with 15th FC tied fund and design strategies in effective utilization of 15th FC tied fund dovetailing SBM G fund.

JOB DESCRIPTION:

- Support Mission Directorate, Chief Engineer, Sanitation, (PHE) and State Coordinator, SBM Coordinator to roll out the outcome monitoring strategy for WASH in Assam.
- Support the Mission Directorate, SBM-G on convergence with line departments.
- Strengthening convergence with Panchayat & Rural Development department (P&RD) for utilization of 15th Finance Commission (FC) Grant for SBM G
- Work in coordination with State SBM G team for design and implementation of strategies for various programmes under SBM G.
- Strengthening system & capacities for SBCC planning on ODF Plus.
- Design & implement convergence module of SBM G with other flagship programme like ICDS, NHM, SSA, ASRLM etc.
- Implementing ODF Plus strategy and design strategy to roll out across the State.
- Designing ,planning & roll out of training of State & district functionaries on Covid 19.
- Developing implementation strategy for ODF plus with emphasis on Covid 19
- Facilitate monitoring of COVID 19 specific and sensitive interventions vis a vis household, community and environmental hygiene and sanitation activities under SBM (G),
- Assess training need for WASH, designing need-based trainings, developing training modules, activity calendar, and capacity building tools and materials.
- Report to WASH Specialist, UNICEF, Assam and carry out the activities as per rolling work plan of UNICEF and also carry out work assigned by UNICEF WASH Specialist from time to time.
- Carry out need based supportive field visits as per approved travel plan by Mission Director SBM-G & Chief Engineer(PHE), Sanitation.
- Any other relevant tasks assigned by the Mission Director SBM-G, Chief Engineer (PHE), Sanitation, State Coordinator, SBM-G, Assam.
